People have  
visited my page!

somewhere i have never traveled, gladly beyond  
any experience, your eyes have their silence:  
in your most frail gesture are things which enclose me,  
or which i cannot touch because they are too near

your slightest look will easily unclothe me  
though i have closed myself as fingers,  
you open always petal by petal myself as Spring opens  
(touching skillfully, mysteriously) her first rose

or if your wish be to close me, i and  
my life will shut very beautifully ,suddenly,  
as when the heart of this flower imagines  
the snow carefully everywhere descending;  
nothing which we are to perceive in this world equals  
the power of your intense fragility: whose texture  
compels me with the color of its countries,  
rendering death and forever with each breathing

(i do not know what it is about you that closes  
and opens; only something in me understands  
the voice of your eyes is deeper than all roses)  
nobody, not even the rain, has such small hands

-e. e. cummings
